PROFILE

A highly skilled and dedicated Full-Stack Web Developer with a strong background in developing responsive and interactive web applications. Experienced in both frontend and backend technologies, with a passion for creating seamless user experiences. Seeking an intern position to further develop my skills and contribute to innovative projects.

EXPERIENCE

Full-Stack Web Developer *Anchor Soft Academy* (June 2021 – April 2022)

- Developed interactive and responsive web interfaces using HTML, CSS, JavaScript, and Bootstrap.
- Implemented modern UI/UX principles to enhance user experience.
- Built and managed database-driven applications with Django and Django ORM.
- Integrated Payment Gateway APIs like Pay stack for secure transactions.
- Deployed applications on AWS EC2 and managed AWS RDS databases.

Backend Developer & Instructor *Anchor Soft Academy* (May 2022 – July 2024)

- Developed and maintained scalable, secure backend applications using Django.
- Designed APIs using Django REST Framework for seamless frontend-backend communication.
- Conducted training sessions and workshops on Django and API development.
- Assisted students in building and deploying full-stack applications.

P.A to the Leader of the House (Ward A) *Shomolu Local Government Council* (October 2024 – Present)

- Managed schedules, appointments, and meetings for the leader.
- Drafted press releases, speeches, and official statements.
- Engaged with local media and kept records of official documents and ward activities.
